## Memorandum

Date: December 3, 1996  
To: Mary Scoonover  
From: Steve Yaeger   
Subject: MOU with Natural Heritage Institute

We are considering participating with NHI, Metropolitan Water District, and U.S. Bureau of Reclamation in the development of modeling and presentation display capabilities for water management concepts.

Can you review the attached MOU and advise me on the steps we need to take with regard to this project?
